## ABOUT

J Quinn Solutions, LLC delivers mission-critical equipment and supplies to federal, state, and local government agencies with speed, accuracy, and reliability. Founded and led by a U.S. Navy Veteran, we combine over 20 years of logistics, procurement, and warehouse management expertise with a commitment to service excellence and compliance.

Our proven ability to source and deliver essential products - on time and to specification - ensures that agencies can focus on their missions with confidence.

## CORE CAPABILITIES

### Medical, Dental & Hospital Equipment and Supplies

(NAICS 423450)

End-to-end procurement of essential healthcare equipment and supplies, ensuring readiness and continuity in government-operated facilities nationwide.

### Professional Equipment & Technology Solutions

(NAICS 423490)

Reliable sourcing of technology, telecommunications, and electronics to support secure and efficient operations.

### Industrial & Maintenance Supplies

(NAICS 423840)

Critical industrial products for energy, infrastructure, and facility operations - delivered with strict adherence to safety and compliance standards.

### Office & Administrative Supplies

(NAICS 424120, 459410)

Comprehensive catalog of office essentials, available through both wholesale and retail channels, with convenient ordering and delivery for government offices.

### Veteran-Led & Mission-Driven

Founded and operated by a Navy Veteran, with integrity and accountability at the core of every engagement.

### Proven Government Performance

Demonstrated success in managing procurement, logistics, and inventory for federal, state, and local contracts.

### Industry-Spanning Expertise

More than two decades supporting technology, energy, healthcare, and telecommunications sectors.

### Compliance & Training Focus

Our delivery model integrates safety, process, and ergonomics training to ensure efficiency and regulatory compliance.

### Client-Centric Approach

Built on trust and transparency, we deliver solutions that prioritize agency needs and long-term value.

## PROVEN PERFORMANCE

**J Quinn Solutions has successfully supported government contracts** across technology, telecommunications, healthcare, energy, and public infrastructure.

Our track record demonstrates **reliable procurement, logistics excellence, and responsive customer service** for diverse agency needs.

**Your Next Strategic Partner is  
One Conversation Away.**
